|------------------|--|--|---------------------|-------------------------|
| 7:30 am          | <b>REGISTRATION &amp; BREAKFAST</b>  |  |                     |                         |
|                  | <p><b>WELCOME</b><br/> <b>PLENARY: HIV and Loneliness</b></p> <p><b>PLENARY: Opiates and Pain Management</b></p> <p><b>PLENARY: Adverse Childhood Events and Trauma-informed Care</b></p> <p><b>WORKSHOPS</b></p> <ul style="list-style-type: none"> <li>• Gay Men’s Mental Health Workshop</li> <li>• Indigenous Mental Health Workshop</li> <li>• African, Caribbean and Black Mental Health Workshop</li> </ul> |  | <b>PHARMACY DAY</b> | <b>PRIMARY CARE DAY</b> |
| 12:00 to 1:00 pm | <b>LUNCH PLENARY: Treating HIV and Cancer</b>  |  |                     |                         |
|                  | <p><b>Men and Meth</b><br/> A growing number of gay men are using crystal meth for sex. What’s the impact on their health, lives and adherence to ART and PrEP? What are the challenges of dealing with a meth addiction? What about effective treatments?</p>   | <p><b>Findings and Implications of the MSAFIRI Study</b></p> |                     |                         |
|                  | <p><b>CONCURRENT SESSIONS</b></p> <ul style="list-style-type: none"> <li>• Men and Meth: A conversation</li> <li>• Trauma-Informed Care</li> <li>• HIV and Substance Use</li> </ul>  |  |                     |                         |
|                  | <p><b>CONCURRENT SESSIONS</b></p> <ul style="list-style-type: none"> <li>• Building Resilient Communities</li> <li>• Training the Next Generation</li> <li>• Gay Men’s Mental Health</li> <li>• African, Caribbean and Black: Intersection of Gender and Masculinity</li> </ul>  |  |                     |                         |
|                  | <p><b>PLENARY: Structural Racism and Stigma in Healthcare</b><br/> People living with HIV continue to face stigma. Some due to the illness itself, some due to racism and some due to drug use. Many experience stigma in their contacts with the health and other service systems. What are effective ways to reduce bias, racism and stigma in care settings?</p>  |  |                     |                         |
| 4:30             | <b>CLOSING REMARKS</b>   |  |                     |                         |
